About All Faiths Direct Cremation

All Faiths Direct Cremation is a small company providing simple, dignified funerals that are tailored to your personal needs.

Very often a direct funeral will mean you are unable to attend or have input into the service, unless you pay extra. Here at All Faiths we help you to do both if you wish.

Whether you attend or not you can still have input into a short service to celebrate the life of your loved one and you and your family have access to the service online, as each service can webcast and will have personalised music playing.

Every All Faiths Direct Service will be carried out at Birches Crematorium in Cheshire. The crematorium was awarded Crematorium of the Year in the Good Funeral Awards 2022, guaranteeing only the best send off for your loved ones.

As a small company, we can ensure the flexibility and personal service you need at a difficult time. All you need to do is give us a call and we will guide you through the rest with one of our expert team members.
